In celebration of the Feast Day of St. Bede the Venerable (May 26) to whom San Beda University was named, the Institutional Community Involvement Center launched its School Supplies Distribution Program last June 7 and 8, 2018. The program aims to assist the least privileged elementary and high school students of the partner communities and partner Institutions. The program also form part of the Center's aim to localize the United Nations' Seventeen Sustainable Development Goals specifically the SDG # 4, Quality Education.

The first beneficiaries of the program were fifty three (53) elementary students coming from Sitio San Gabriel in Dolores, Taytay and Pandacan, Manila. Each child received a backpack with notebooks, pad papers, crayons, scissors, pencils, ballpens, ruler, glue, sharpener and erasers. The distribution was made possible because of the donation from NSTP students and SBC Benedictine Educational Foundation, Inc. The activity was attended by ICIC personnel, faculty, student volunteers and employees.
